(PTO Customer No. 021567)

Sir:

It is hereby requested that a Certificate of Correction be issued with respect to Patent No. 6,931,781 B2, granted August 23, 2005, in accordance with the Certificate of Correction form attached hereto in duplicate.

It is noted that errors appear in this patent of a minor nature of character, as more fully described below. The errors occurred in good faith. Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination.

Other errors listed on the Certificate of Correction form were apparently incurred through the fault of the PTO as will be disclosed by the records of files in the Office.

Attached hereto, in duplicate, is Form PTO-1050, with at least one copy being suitable for printing.

The exact page and line number where the errors occur in the application file are:

In the Cited Prior Art

The 13th case cited in the first column on the cover page should have read Patent No. 2,559,934 issued to Briney. (See Applicants' Information Disclosure Statement Form 1449, Item AJ, filed June 25, 2003.)

The first case cited in the second column on the cover page should have read Patent No. 3,270,457 to Austin. (See Examiner's Form 892, Item C, Paper No. 20040226 where error was made.)

In the Claims

Claim 8 in column 11, second line, of the issued patent (see page 3, claim 11, in Applicants' Response to 11/02/2004 Final Action filed February 2, 2005) should read "provided on a top side".

Claim 28, column 13, second line, of the issued patent (see claim 28 on page 6 of Applicants' Response to 11/02/2004 Final Action filed February 2, 2005) should read "comprises a cylindrical coil".

Claim 33, column 14, line 2, of issued patent (see claim 62 on page 6 of Applicants' Response to 11/02/2004 Final Action filed February 2, 2005) should read "comprises an arcuate".

It is Applicants' belief that no amount is due the PTO, as the errors were made by the PTO, not the Applicant. Should the Commissioner disagree, he is authorized to charge Deposit Account 23-0925 for any such amount as required by 37 CFR 1.20(a).

Dated: 2/14/06

Respectfully submitted,

By:
